Three ways to have it all

The 2017 Kia Forte has a superb combination of contemporary design, lively performance, and advanced technology. Three models are available so that you can choose the one that fits your lifestyle: the sleek sedan, the versatile Forte5, and the sporty Koup. In addition, a range of available premium features are designed to monitor your driving environment and enhance your daily drive, including Autonomous Emergency Braking,[1]* Blind-Spot Detection,[1]* and Lane Keep Assist.[1]* Like all Kia models, Forte comes with an industry-leading 10-year/100,000-mile warranty program.[2]

1, 2, * See Features and Specifications pages for availability and endnotes. Not all optional features are available on all trims. Forte Koup available February 2017. Forte5 available April 2017.

Spacious and comfortable

Forte is designed to let five people relax and travel in style. Its spacious interior offers plenty of head- and legroom for both driver and passengers. Forte also has available stylish leather seat trim, while a long list of available features, such as heated and ventilated front seats,* further enhance your comfort.

1

2

3

4

1. VENTILATED FRONT SEATS*

Stay cool on hot summer afternoons, thanks to available ventilated driver and front-passenger seats that circulate cool air through perforations in the seat leather.

2. HEATED FRONT SEATS*

For comfortable driving in cold weather, premium features include available heated front seats.

3. POWER-ADJUSTABLE DRIVER'S SEAT WITH MEMORY SETTINGS*

An available 10-way power-adjustable driver's seat with lumbar support* and two memory presets* allows the driver to choose the ideal seating position.

4. DUAL-ZONE AUTOMATIC TEMPERATURE CONTROL*

To create personalized climate zones for both the driver and front passenger, the available dual-zone automatic temperature control has individual settings. Rear-seat passengers have their own rear vent.

INTERIOR REFINEMENTS

Available soft-touch upper door panels* add to Forte's contemporary design. Other available features enhance comfort and convenience for both driver and passengers, including a sliding front center armrest* and rear seat armrest with cup holders.*

SEDAN EX WITH PREMIUM PLUS PACKAGE SHOWN

A wide array of premium features

Forte is designed to put the driver confidently in control, thanks to a range of premium features intuitively positioned for easy access. SX models feature a racing-inspired, D-shaped, leather-wrapped steering wheel complemented by a leather-wrapped gearshift knob and sleek instrument panel, all adding to its contemporary design.

VOICE-COMMAND NAVIGATION[3]*

To enhance everyday driving convenience, an available advanced voice-command navigation system features a vivid 7-inch color touch screen and delivers updated highway conditions from SiriusXM Traffic.[4]

***BLUETOOTH*® WIRELESS TECHNOLOGY[5]**

You may listen to streaming audio when using a compatible *Bluetooth*® wireless technology-enabled device. Once you pair a compatible cell phone, you can access a variety of your phone's functions with the touch of a button and straightforward voice commands.

SIRIUSXM® SATELLITE RADIO[4]

Enjoy over 150 channels of commercial-free music, plus sports and news in your Forte during your 3-month SiriusXM All Access trial subscription,[4] which also includes streaming 160-plus channels on your computer, smartphone, and tablet.

STEERING-WHEEL-MOUNTED CONTROLS[3]

You may operate a variety of features with the convenient steering-wheel-mounted controls, including the audio system's volume and mode selection and all of the available cruise control system's* functions.

1. POWER SUNROOF*

An available power sunroof lets you enjoy a feeling of spaciousness and fills the cabin with fresh air. It features a tilt-and-slide design for ventilation or a full open-air experience, while its sunshade is quick and convenient to operate.

2. SMART TRUNK*

On the Forte sedan, an available Smart Trunk automatically unlocks if you stand behind it for three seconds with the available Smart Key* in your possession. It's especially appreciated if your hands are full.

3. PADDLE SHIFTERS*

Forte SX models with an available seven-speed dual-clutch transmission* feature steering-wheel-mounted[3] paddle shifters that help provide the driver with precise control and sportier shifts.

4. METAL PEDALS & SPORT STYLING*

Forte S and SX models feature sporty interior styling that's highlighted by available metal pedals and gloss-black accents.* Additionally, both models have sleek carbon fiber trim* on the dash, complemented by chrome details.*

DEALER E-PROCESS

Versatility is just the beginning

Forte5 stands out with its own unique exterior styling. Its fifth door allows easy access to its roomy cargo[6] area, while split-folding rear seats provide added versatility. Changing configurations is simple, with an easy-to-use lever at the back of each seat.

1. 60/40 SPLIT-FOLDING REAR SEATS
Forte5 has a roomy interior and, like all Forte models, features split-folding rear seats so you can fit additional cargo[6] and up to two rear-seat passengers at the same time.

2. HIDDEN STORAGE & CARGO COVER
Forte5's cargo cover lets you store your valuable items out of sight. A hidden tray beneath the cargo floor includes dividers to help you keep loose items neatly organized.

6. * See Features and Specifications pages for availability and endnote. Not all optional features are available on all trims.

FORTE5 SX WITH PREMIUM TECHNOLOGY PACKAGE SHOWN

Advanced technology at your command

Forte features an impressive variety of technologically advanced systems. They are designed to enhance your confidence on the road, make daily driving more convenient, provide added entertainment options, and deliver a steady stream of information designed to help you make better, more timely driving decisions.

1. UVO — SHORT FOR "YOUR VOICE"[3]*

The available UVO eServices Infotainment System provides you with an easy, hands-free way to connect to your Forte by seamlessly integrating your compatible smartphone[7] with your vehicle. UVO eServices* can keep track of your vehicle's parking location with **Parking Minder**,[8] download apps from the **App Download Center**, monitor your vehicle's driving habits, access **911 Connect**[9] or **Enhanced Roadside Assist**,[10] and check maintenance requirements with **Vehicle Diagnostics**[11] on the large touch screen. Additionally, there are no subscription fees[3] for the first 10 years to access all of these benefits.

4. UVO eSERVICES APP[3]

An available free app, downloaded at the App Store®[12] or Google Play™ Store,[13] lets you use a compatible smartphone[7] to access UVO eServices'* features. Or access UVO eServices* through myUVO.com with a computer.

5. PUSH-BUTTON START*

For everyday driving convenience, you can start or stop the engine with the push of a button, and open a locked door, with the available Smart Key remote — even when you have it in your pocket or purse.

2. APPLE CarPlay™[12]* 3. ANDROID AUTO™[13]*

Apple CarPlay and Android Auto let you take full advantage of the available UVO eServices[3]* Infotainment System by simply connecting your compatible smartphone[7] with a USB cable. You can then use it to navigate to your destination, make phone calls and retrieve voice mail, receive text messages and respond to them verbally, and more. Plus, compatible apps are displayed onto the touch screen.

6. SMART WELCOME*

When you approach your Forte and it detects the presence of the available Smart Key remote,* the available Smart Welcome system brightens the surrounding environment by turning on the outside mirror and door-handle lights.

7. AUTONOMOUS EMERGENCY BRAKING[1]*

This available system is designed to detect and monitor vehicles traveling ahead of you. It then works to automatically apply the brakes if it determines a crash might be imminent, helping to avoid a collision or mitigate the effects if it cannot be avoided.

10. REAR-CAMERA DISPLAY[1]*

To help you see things behind your vehicle that you might not see by looking over your shoulder, Forte features an available Rear-Camera Display with a large, bright screen.

11. REAR CROSS-TRAFFIC ALERT[1]*

Available Rear Cross-Traffic Alert helps warn the driver of cross traffic while the vehicle is in reverse by activating audible and visual alerts.

12. LANE DEPARTURE WARNING SYSTEM[1]*

This available system is designed to detect the vehicle moving out of its lane without the turn signal being used. When it does, it helps alert you with a combination of audible and visual warnings.

13. LANE KEEP ASSIST SYSTEM[1]*

The available Lane Keep Assist System helps prevent the vehicle from drifting into another lane. If you start to get close to the lane markers, it will apply corrective steering assistance to help keep you in your lane.

8. FORWARD COLLISION WARNING SYSTEM[1]*

Available Forward Collision Warning System activates alerts when the vehicle detects objects immediately ahead that may cause a potential impact, encouraging the driver to decelerate.

9. HID HEADLIGHTS W/DYNAMIC BENDING LIGHT*

For optimal visibility while driving at night, available Dynamic Bending Light works with the Xenon High-Intensity Discharge (HID) headlights to deliver a varying beam pattern based on vehicle speed and steering angle.

14. BLIND-SPOT DETECTION WITH LANE-CHANGE ASSIST[1]*

An available radar system helps detect vehicles in the driver's blind spot and then provides audio and visual alerts. Lane-Change Assist helps detect vehicles in adjacent lanes approaching from behind.

1, 3, 7, 8, 9, 10, 11, 12, 13, * See Features and Specifications pages for availability and endnotes. Not all optional features are available on all trims.

DEP
DEALER E-PROCESS

Excitement comes in many forms

The Forte LX and S models feature a 2.0L 147-horsepower[14] engine that provides an ideal combination of performance and efficiency,[15] with the addition of a sport-tuned suspension on the stylish S model. EX models provide added excitement with a 2.0L Gasoline Direct Injection (GDI) engine with 164 horsepower.[14] For sporty performance, Koup SX and Forte5 SX models have a 1.6L turbocharged GDI engine that delivers 201 horsepower, paired to your choice of a six-speed manual transmission or seven-speed dual-clutch transmission* that helps optimize the engine's responsiveness. Plus, SX models have larger front brakes and a sport-tuned suspension for crisp, agile handling.

14, 15, * See Features and Specifications pages for availability and endnotes. Not all optional features are available on all trims.

DEP
DEALER E-PROCESS

Dedicated to making safety a top priority

Forte's technologically advanced systems are engineered to give you greater confidence on the road and help you maintain control, even in harsh road conditions and some emergency situations.† In addition, these systems are designed to function automatically, freeing you to focus on safe driving.

VEHICLE STABILITY MANAGEMENT (VSM)
For additional steering-direction-control capability, the VSM system is designed to intervene in appropriate situations to help the driver regain control of the vehicle.

ELECTRONIC STABILITY CONTROL (ESC)
ESC provides improved directional stability to help maintain better control in difficult driving situations. During emergency maneuvers, it works to control the engine and brakes to help keep your Forte on course.

TRACTION CONTROL SYSTEM (TCS)
When TCS senses wheelspin during acceleration, it uses a combination of both engine power and brake force to help transfer power to the wheels that have the most traction.

ELECTRONIC BRAKE-FORCE DISTRIBUTION (EBD)
To help maintain more consistent braking as vehicle loads and weight distribution change, the EBD system automatically adjusts the front-to-rear balance of brake pressure.

BRAKE ASSIST SYSTEM (BAS)
If BAS detects emergency braking, based on how quickly you step on the brake pedal, it is designed to instantly apply full braking force, which helps shorten your overall stopping distance.

HILL-START ASSIST CONTROL (HAC)
To help keep your Forte from rolling backward when starting off on a steep hill, the HAC system automatically holds the brake pressure for two seconds after you take your foot off the brake pedal.

ANTI-LOCK BRAKING SYSTEM (ABS)
ABS is the foundation of an active safety system and helps contribute to driver confidence. The system helps provide greater vehicle control when stopping in difficult conditions like wet or slippery roads.

DEP
DEALER E-PROCESS

†No system, no matter how advanced, can compensate for all driver errors, driving conditions, accidents, and/or injury. Always drive responsibly.

SEDAN EX WITH PREMIUM PLUS PACKAGE SHOWN

Advanced engineering for your protection

At Kia, the process of improving all aspects of safety is relentless. As a result, continuous engineering advances and breakthroughs in material design have led to Forte's strong body construction, strategically placed airbags, and advanced sensors, all of which help to increase your peace of mind.

ADVANCED AIRBAG SYSTEM
As a first line of defense, an advanced airbag system helps protect driver and passengers with dual front, front seat-mounted side, and full-length side curtain airbags.[16]

AIRBAG & SEAT-BELT SENSORS
This advanced system monitors the severity of certain impacts, the presence of a front passenger and seat-belt use, and then controls airbag inflation accordingly.[16]

FRONT SEAT-BELT PRETENSIONERS
Pretensioners have been designed to tighten the driver's and front passenger's seat belts in the event of certain collisions. This can help to reduce the likelihood of injuries.

HEIGHT-ADJUSTABLE SEAT-BELT ANCHORS
The front height-adjustable seat-belt anchors allow the driver's and front-passenger's seat belts to be raised and lowered for a proper fit, helping ensure effective operation.

FRONT & REAR CRUMPLE ZONES
Both front and rear crumple zones are engineered to help absorb and dissipate impact energy, helping to preserve the basic structural integrity of the passenger compartment in certain collisions.

SIDE-IMPACT DOOR BEAMS
All doors are reinforced with steel beams to help absorb impact energy and deflect side-impact force. The body's support pillars are reinforced to help strengthen the body of the vehicle.

LATCH SYSTEM
Forte features the easy-to-use Lower Anchors and Tethers for Children (LATCH) system. It is engineered to let you securely install a compatible child seat at either end of the rear seat.

DEP
DEALER E-PROCESS

No system, no matter how advanced, can compensate for all driver errors, driving conditions, accidents, and/or injury. Always drive responsibly.

Discover world-class quality

Kia is committed to producing exceptional vehicles with superb quality and reliability to suit most every driving need. From compact to crossover, Kia delivers an extraordinary combination of precision engineering, outstanding performance, innovative features, and advanced safety systems.

COMMITMENT TO AMERICA

Kia Motors has invested over $1.1 billion in its manufacturing plant in West Point, Georgia. Utilizing the latest manufacturing processes and state-of-the-art robotics, the plant has produced over 2 million vehicles since 2009. The Sorento crossover and certain Optima midsize sedans are currently being assembled at this plant.[1] Together with on-site and local suppliers, the Georgia facility is responsible for the creation of more than 15,000 jobs in West Point and the surrounding areas. It's all part of Kia Motors' commitment to America — a commitment that is sure to grow and strengthen in the years ahead.

TAKING ON THE COMPETITION

The Kia Racing team has gone head-to-head with world-class rivals — and won. Motorsport is a proven test bed for reliability, durability, and performance, and the knowledge gained on the racetrack has helped Kia manufacture award-winning vehicles that perform beyond your expectations. In six years of racing, Kia won a total of seven championships with three models — Rio 5-Door, Forte Koup, and Optima.

INDUSTRY-LEADING WARRANTY PROGRAM[2]

Kia engineers are passionate about producing vehicles that are exceptionally well designed and reliable. Their dedication to quality and attention to detail give Kia the confidence to back every model with an industry-leading warranty program.

10-year/100,000-mile limited powertrain warranty
5-year/60,000-mile limited basic warranty
5-year/100,000-mile limited anti-perforation warranty
5-year/60,000-mile 24-hour roadside assistance

COMPELLING DESIGN

Under the direction of President and Chief Design Officer Peter Schreyer, Kia vehicles have captured worldwide attention for their interior and exterior styling. The passionate collaboration of Kia's designers has created a look that makes every model as bold as it is distinctive.

Fuel tank capacity (gallons)	13.2	13.2	13.2

ENDNOTES

1. These features are not substitutes for safe driving and may not detect all objects surrounding vehicle. Always drive safely and use caution. **2.** Warranties include 10-year/100,000-mile powertrain and 5-year/60,000-mile basic. All warranties and roadside assistance are limited. See retailer for warranty details. **3.** Distracted driving can result in a loss of vehicle control. When operating a vehicle, never use a handheld device or vehicle system that takes your focus away from safe vehicle operation. Navigation is for information purposes only, and Kia does not make any warranties about the accuracy of the information. App uses your smartphone data service. Normal cellular service rates will apply. Your vehicle can connect to Internet hotspots, whether it's your personal wireless Internet at home or to a smartphone device with an Internet service plan (normal cellular service rates may apply). **4.** SiriusXM® audio and data services each require a subscription sold separately, or as a package, by Sirius XM Radio Inc., after any trial subscription included with properly equipped vehicles. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Sirius, XM, SiriusXM, and all related marks and logos are trademarks of Sirius XM Radio Inc. **5.** The *Bluetooth*® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Kia is under license. A compatible *Bluetooth*®-enabled cell phone is required to use *Bluetooth*® wireless technology. **6.** All cargo should be evenly distributed and properly secured, and never piled higher than the seatbacks. Images shown for illustration purposes only. **7.** Apple iPhone® and select Android™ devices only are UVO eServices-compatible. iPhone® is a registered trademark of Apple Inc. Android™ is a trademark of Google Inc. **8.** Parking Minder operates on GPS with certain smartphones and UVO eServices app. Cellular service rates apply. **9.** 911 Connect activates after airbag deployment and requires a cell phone connected via *Bluetooth*® wireless technology and a wireless signal. **10.** 24-hour Roadside Assistance is a service plan provided by Kia Motors America, Inc. Limitations apply. See Kia Warranty and Consumer Information Manual for details. Requires a cell phone connected via *Bluetooth*® wireless technology and a wireless signal. **11.** Vehicle Diagnostics checks powertrain, chassis, and airbag systems, and is not a substitute for maintenance. See UVO eServices Maintenance Feature or Owner's Manual for maintenance schedule. **12.** Apple, the Apple logo, CarPlay, and iPhone are trademarks of Apple Inc., registered in the US and other countries. App Store is a service mark of Apple Inc. Apple CarPlay available mid-2016. **13.** ©2016 Google Inc. Google is a registered trademark and Google Maps, Google Play, and Android Auto are trademarks of Google Inc. **14.** Forte 2.0L MPI 147-hp ULEV/SULEV, Forte 2.0L GDI (164-hp ULEV, 160-hp SULEV). Maximum hps listed. Super Ultra Low Emission Vehicle (SULEV) is the only engine available in these states: CA, CT, MA, MD, ME, NJ, NM, NY, OR, PA, RI, VT, WA. ULEV engine is the only engine available in all other states. **15.** Based on EPA estimates. Actual mileage will vary with options, driving conditions, driving habits, and your vehicle's condition. Forte 2.0L I4 MPI engine gets an EPA estimated 25 city/34 highway MPG with manual transmission, and 29 city/38 highway MPG with automatic transmission. **16.** For maximum protection, always wear your seat belt. No system, no matter how advanced, can compensate for all driver errors, driving conditions, and/or injury. **17.** NBA identifications are the intellectual property of NBA Properties, Inc. ©2016 NBA Properties, Inc.
