This brochure gives a general overview of Zurich Shield®, available through Universal Underwriters Service Corporation, an individual member company of Zurich in North America. Certain restrictions and exclusions apply, and coverages may differ in certain states. Please consult Zurich Shield® contract for detailed terms and conditions.

Zurich Shield® is a registered trademark of Zurich American Insurance Company. Automotive Protection Systems, Inc. is the issuing provider, administrator and warrantor of Zurich Shield®.

Zurich Shield®

Advanced Environmental Protection

Benefits of Zurich Shield®

- **Product warranty:** If Zurich Shield® fails to perform, Automotive Protection Systems, Inc. (APS) will remedy the damaged portion of the treated surface of the vehicle. (In Washington, it is a product guarantee.)
- **Rental reimbursement:** No need to bother friends or family if your vehicle is in need of treatment or repair. You can receive reimbursement for rental car expenses while your vehicle is being treated for a covered repair.
- **Renewable:** Keep your vehicle looking great for years. The limited warranty is renewable for life, in three year increments, with approval from APS and a reapplication of Zurich Shield® from an authorized dealer.
- **Transferrable:** Increase your vehicle's resale value by transferring the product warranty to the next owner.

Exterior protection

Protect your investment from harmful elements like oxidation and pollutants that can make your vehicle look older than it is. Zurich Shield® will protect your vehicle and keep it looking as good as the day you bought it.

Features:

Paint sealant completely seals and protects paint surfaces from the following:

- Weather-induced fading and loss of gloss
- Acid rain, bird droppings and tree sap
- Permanent hard water etching and industrial fall out
- Sealants meet or exceed all applicable regulations for Volatile Organic Compounds (VOCs)

Coverage:

- Weather-induced fading
- Loss of gloss
- Hard water etching
- Industrial fallout
- Bird waste
- Acid rain
- Tree sap
- Oxidation
- Insects
- Road salt
- De-icing agents (such as liquid or dry magnesium)
- Sand abrasion
- Accidental paint overspray

Interior protection

Most of us spend hours every day in our vehicle commuting to work or shuffling kids to activities. Often in a hurry, we're eating takeout and sipping cappuccinos on the way. All that activity can lead to a mess. Preserve the look of your car with Zurich Shield® to reduce the signs of aging and protect against life's messy accidents.

Features:

Fabric sealant extends the life of your fabric seats and carpet:

- Protects against permanent staining
- Contains inhibitors to delay fading
- Makes clean-up easy

Vinyl/ leather sealant provides the following:

- Creates a barrier against permanent stains
- Protects against premature aging
- Retains natural softness

Coverage:

- Food and drink stains
- Odors from mold and mildew (as a result of food or drink)
- Oil-based stains
- Fading
- Chewing gum
- Inks and dyes
- Lipstick and makeup
- Crayons
- Urine and vomit
- Blood
- Pet stains
- Vinyl/leather punctures less than 1/4"
- Vinyl/leather tears less than 1"
- Loose seam stitching
